

TogetHER Cervical Cancer Grants Program
RFP Round 1 Questions and Answers

1. Would an application from both an NGO and academic institution be competitive/considered?

Yes. We will accept applications from an NGO and an academic institution. We will also consider applications solely from an academic institution.

2. Could you please share the proposal template?

Bidders may use any format they choose for the proposal. However, all proposal components detailed in Section 8 of the RFP must be included. As noted in the RFP, proposals are not to exceed 3 pages plus relevant appendices (workplan & budget).
